

Submitter:

Cathleen Bodie

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Voting by mail is efficient and cost effective. My family greatly benefits from it because when working out of town we don't miss the right to vote and to get my elderly family member out to a polling location and waiting in line would be very difficult.

Keep vote by mail so we can ALL exercise our right to vote!
