

Submitter:

Jane Accardo

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Oregon has the best Mail in Voting procedure that has in its very long history very little fraud or abuse. Polling has too many ways to limit voting rights and it is done in many States in a very unconstitutional manner. We cannot risk this happening in Oregon. Retain our solid voting rights and ease of submitting our votes

Thank you
