SB210

I am fortunate enough that I have always voted by mail. Voting by mail allows me time to research candidates as I fill out my ballot and makes voting accessible by allowing me the opportunity to fill it out at home in my own time. Voting by mail preserves democracy by allowing access to voting by more people - people with disabilities, people who can't take time off work, people who can't find childcare, etc. This measure is antithetical and antiquated- preserve vote by mail in Oregon!
