Measure, Appointment or Topic:	SB210

I oppose this bill, SB210. Why would you make it harder for voters? This is just a ploy from the repubes to reduce the voting population! We have a long standing verification and validation process for voting by mail that truly the rest of the country should take note of! We have so many rural communities that benefit from voting by mail! This would hurt our aging and disabled population! Leave our tried and true voting by mail alone! Again, I oppose this bill, SB 210!
