

Submitter: Dan Herrera

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I am writing in absolute opposition to the proposed bill to move to in-person voting.

This effort is a thinly veiled attempt to disenfranchise voters in Oregon. There are no valid reasons to alter a system that is working well for Oregonians, provides accessibility to all people, and has a positive effect on voter participation in this state.

Oregon's model for voting is a model for our nation. Please act to preserve it!
