SB210

Voting by mail is one of the thing that makes Oregon great, allowing greater voter participation and greater education about the issues before casting a vote. Since I moved to Oregon 20 years ago this has been one of my favorite things. Coming from Texas, where voting is much more difficult it is a night and day difference. I fully oppose requiring in-person voting on the date of an election the standard method for conducting an election in our great state of Oregon.
