

Submitter: Charles Glisson
On Behalf Of: 210
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB210

My Opinion on "210", concerning the attempt to remove "Mail-In" voting in Oregon; is NOT ONLY "No", but HELL NO!

Mail In voting is INTELLIGENT, and it WORKS,
and it PISSES ME OFF that FAT ASS RepubliSCUM SINator "David Brock Smith is trying to remove it.

And I DON'T GIVE a FROGS FAT ASS WHAT Donald Trump thinks, because he;
[1] is NOT A RESIDENT OF THIS STATE!

&

[2] UNLIKE Donald Trump, I DID serve in the US Military, for 20 Years, and WITH
"Bone Spurs"

So, in conclusion, TWO "Take-A-Ways";

[1] I am PRO "Mail-In" Ballots

&

[2] Senator David Brock Smith needs to go ON A DIET!
