

Submitter:

CHARLENE Landrum

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

To do away with mail in voting would do away with a lot of senior citizens such as myself that are house bound and cannot get out to vote due to physical issues that will not allow us to get out and we have care givers that do our errands and take care of us. Please do not do away with mail in ballots!
