

Submitter:

Leland Richey

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SJR30

As a resident of this state for the past 65 years I have always valued the right to petition our government to address new and improved ideas without having to jump through hoops. I strongly urge you to vote SJR 30 down and dispose of the idea of changing the current petition process.

Thank you for your consideration.
