Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Voting by mail is the best method for all eligible voters to vote. Disabled people, seniors who do not drive, business or employment conflicts, sick children or caregivers or other last-minute conflicts, often make it difficult to physically access polls on election day. Voters deserve easy methods to cast their ballots and those who run for office deserve support. Please do not change Oregon's very efficient vote-by-mail process.
