

Submitter:

Rachel Chambers

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am in full support of one day, in person, voter US citizen identification required voting. Please go back to in person voting with ID, NOT mail in only, as we KNOW there were many people allowed to be registered that were NOT citizens of the US and NOT eligible to vote. In person, ID required voting would be sure to keep ineligible people from voting and would restore more Oregonian's faith in our elections.

Thank you.
