SB210

Mail voting in Oregon has had NO problems for decades. It has been a boon to All. No matter if you work, have families, ill, seniors, disabled, no car, or any other reason you can vote. I vote my own thoughts. Every person has their own ballot at their address. The reliable impartial Post office takes our vote. There is no other reason to change this other than wanting to restrict voting. None . Stop this. Be fair. Leave what is fantastically perfect ALONE
