

Submitter:

Chris Brooks

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Voting by mail is easy, safe, and guarantees that people who can't vote for accessibility or scheduling reasons can still cast their votes and be heard. Taking away mail in ballots is silencing everyone who works paycheck to paycheck and is simply unamerican. One reason I love Oregon is because of our voting rights. Do not make it harder to vote.
