

Submitter: Ruth Armitage

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Vote by Mail ensures that every eligible voter can vote regardless of their family commitments, their work schedule, their mobility needs, or transportation requirements. It allows time for careful consideration and research on each candidate. It is simply one of the best policies in the State of Oregon.

I oppose this bill as it would make it more difficult for many voters to cast ballots.
