

Submitter:

David Kroesen

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I have lived in Oregon for 18 years and support our mail-in-voting system. It has been proven to be secure and removes barriers to voting resulting in higher levels of participation in the democratic process. The arguments against mail-in-votng are disingenuous at best. Please vote against this bill, it hurts Oregonians.
