Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I have lived in Oregon for the past 4 1/2 years and love, love, love that we can use mail-in-ballots and that registration is also so easy, a part of getting a driver's license. It works so effortlessly and keeps people voting, even those who are not able to leave their homes. I have always voted, since I became the correct age, and value that as a citizen of the United States. Why would we want to make this harder? Oh, yes to suppress that right. I oppose that suppression and this bill. Let's keep all Oregonians voting!
