SB210

I oppose this bill the eliminate mail in voting in Oregon. Mail in voting allows me to carefully evaluate each candidate and ballot measure in my own time. I am able to make sure I have the time to make thoughtful decisions while knowing my vote will count. It also allows those who are not able to be at polling stations on a voting day. Whether you have to work, take care or a child or parent, will be out of town, or are disabled, voting by mail makes having a voice accessible to the majority. I have always voted by mail and will continue to do so.
