Co-chairs Helm and Owens, Vice-Chair Finger McDonald and members of the House
Committee on Agriculture, Land Use, Natural Resources and Water:

My name is Miriam Latzer and I am a garden educator at a community college in
Washington County, Oregon. I am writing today to support HB 3372. Thousands and
thousands of pounds of food can be grown on a ½ acre of land. Working lands make
local communities more resilient in the face of global supply chain issues and
unstable trade agreements. We should be supporting small-scale growers, not
making it more difficult to feed people.

Thank you,
Miriam Latzer
