

Submitter:	Carol Anderson
On Behalf Of:	
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

I'm writing in opposition to SB 210.

Oregon has one of the most secure and trusted vote-by-mail systems in the country. Switching to in-person voting would be unnecessary, expensive, and disruptive.

We don't have the infrastructure to support full in-person voting. This bill creates chaos where there is none.

It's not about fixing anything — it's about breaking something that works.
