Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I have lived and voted in Oregon since before Vote by Mail. I was an early adopter of absentee voting when it became generally available. Voting by mail is so much better than voting in person. I sit at my table going through the ballot and voter pamphlet and reading news articles and have found it to be far more informative and less stressful than voting in person. I will not cede vote by mail to anyone seeking to end it. We should be expanding our democratic way of life in Oregon not restricting it to a favored few.

Sincerely, Anna Gorman
