SB210

I am writing to express my strong opposition to any attempt to remove mail-in voting in Oregon. Our state has long supported accessible, secure elections, ensuring that every single eligible voter has the opportunity to make their voice heard. Mail-in voting works. It increases voter turnout, builds trust in our democracy, and has no reputable evidence of widespread fraud. An introductory bill to repeal this already popular and proven process would undermine the will of Oregonians. It would be a blatant suppression of voters and only serves to further authoritarian and oligarchic agendas.

Please vote NO on this bill.

Sincerely,
Danielle Goodrich
