

Submitter: Martin Albert

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On
Natural Resources

Measure, Appointment or Topic: HB5009

Dear Legislators,

Our forests provide a healthy environment, clean water, carbon storage, recreation, biodiversity, and make Oregon a great place to live. Please vote for HB 5009 to make sure that the Private Forest Accord is fully funded over the next two years.

Thank you.

Martin Albert
