Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose the move to repeal mail-in voting. This system allows me to become aware of what I'm voting on with enough time to make informed decisions, something I never had when living in states with in-person only voting. It also means I can vote at times that work with my work schedule instead of taking time off work to stand in line to vote. It allows my 90-something year old neighbor to vote, as well.
