

Submitter:

Hollis Whittington

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Mail in voting has a strong track record in oregon and makes voting accessible to all, including those with jobs, multiple jobs, children, others in their care who are dependent on them and those who are not able to make it to an in person voting site for other reasons. In person voting should not be required. The goal should be to make voting as accessible as possible to the voting members of the public.
