I oppose the elimination of mail-in voting in Oregon. As a female presenting Democrat, I worry for my physical safety voting in person. Under the current administration I believe that women will be threatened and intimidated by conservatives at the polls and our voices will not be heard. I worry that as a registered Democrat I will be targeted at the physical polls and/or that there will be an obstacle that prevents my ability to vote.

I oppose the elimination of mail-in voting. Please do something to stop this madness. I am afraid that this is the first step in stripping opposition's ability to vote. Please do your job and defend my rights.
