

Submitter:

Dolores Matthys

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please leave Oregon's voting process as it is. The process seems to be working just fine with mail-in ballots; why do we need to make it more complicated and subject to abuse? For many Oregonians getting out and about to a voting location is inconvenient if not plain impossible. Every vote should be heard regardless of our mobility or time availability. Therefore, I oppose any changes to our current mail-in voting system.

Thank you.
