Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am unaware of any issues with our current system. If there are no issues what is there to fix? Much modern election "reform" is pretty clearly designed to make it more difficult to vote unless you are pretty high up the privilege ladder, and this measure appears to be in that vein. It's undemocratic and unacceptable. If it ain't broke, don't fix it.
