

Submitter:

Liam Contino

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Voting is the bedrock of democracy. Oregon, and many other states, have done vote by mail for decades with no issues. Vote by mail enables all Oregonians easier access to their right to vote, especially if they are infirm, disabled or elderly. Any attempt to dismantle vote by mail is anti democratic. Please uphold our rights!
