Measure, Appointment or Topic: SB811

To whom it may concern.

I am strongly opposing SB811. If this bill passes it will tighten the chain on operators even more than it currently is. Hundreds of adult care home have shut down in recent years and this bill if passed will inevitably cause more operators to close their doors. This bill combines way too many issues to even process correctly. This bill in its current form will be one step forward and 10 steps back for operators. We just want to provide care to the aging & vulnerable individuals we serve and not feel like our stability is being threatened every legislative session.

Thank you for your time and consideration.
