

Submitter:

Robin Sippel

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please keep voting by mail as the standard in Oregon. It allows people to take their time with their ballot and submit it when they have time. There is no reason to make people try to rearrange their schedules (if they are even able) to go somewhere in person during regular business hours to stand in line to vote.
