

Submitter:

Arthur Wang

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly oppose SB 210. As a working parent, it's already hard enough balancing my paid work with the unpaid work of raising my child - work that consumes almost all of my time not spent on my day job. Voting by mail means I can actually participate in our democracy. Voting in person is usually not feasible due to time constraints.
