On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Mail in voting has been a source of pride for me, I bragged to all my friends that we have it and they're jealous. Mail in voting makes for a more informed voter, we have time to consider the measures at our leisure. Not everyone can get to their voting place on election day, this measure would limit the number of votes available for your preferred candidate.
