On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly oppose this bill to override the mail-in -ballot that is currently Oregon's official voting procedure. SB210 would disenfranchise many people who are unable for multiple reasons of getting to the polls. There has never been proof of any significant fraud with mail-in balloting. We need to keep our current system and our rights to our system of choice..
