Hello, I am writing to oppose the removal of vote by mail in Oregon. Vote by mail has contributed to Oregon's leading voter turnout and allows for all people to be able to vote thoughtfully and without being rushed. Vote by mail supports true democracy in which all people have a voice, and to remove it would be a partisan attempt to stifle the voice of the people. Thank you for hearing my comment on this issue, and I hope to see democracy continue to flourish in this state.
