

Submitter:

Julie Hudson

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly oppose SB 210. Mail in voting encourages broad voting activity for Oregon citizens. It allows voters to vote with the pamphlet by their side to assure the accuracy of their ballot. Mail in voting allows those who are disabled, elderly, or unable to miss work to vote. Please oppose SB 210.
