

Submitter:

Monica Huey

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please do not change mail in voting. It has been proven to be safe and non fraudulent. I wish ALL states had as wonderful of an election system as Oregon. I am a full time parent caregiver to a child with significant disabilities, voting in person would be extremely difficult. Please don't fix something that isn't broken.
