

Submitter:

Amelia Perrin

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Why would you repeal Vote By Mail? Its Cheaper and Easier and results in a Higher voter turn out! Why is he even getting a hearing on this? We need to stop pandering to Trump flunkies who have no respect for Oregon or the United States and are actively working to destroy democracy for their own self-aggrandizement.
