

Submitter:

Martha Schlitt

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Vote NO! Vote-by-mail allows people without flexible work schedules to cast their ballots and allows people with disabilities to vote independently. Vote-by-mail allows families to sit at their kitchen table and thoughtfully engage with the election material. Oregon has the nation's best voter participation rate because of vote-by-mail.
