On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB83

Any new laws need a vote of the people! If politicians refuse to listen to us then I oppose SB83 and any new bills. Take care of the forest. Sell the wood and distribute the revenue. Then the forest will flourish and we will not have forest fires. I live in rural OR for a reason. We do not want a state ran HOA!
