SB210

SB210 is appallingly discriminatory against the elderly, the disabled, and those who must work on an election day or risk losing their jobs. My parents were proud voters until their deaths at ages 89 and 91. They would not have been able to vote in person in the final years of their lives. I believe the passage of this bill would prevent a large portion of the population, republicans and democrats, from voting, and that is unnecessary, unkind, and just plain wrong!
