I am writing to express my opposition to Senate Bill 210 which makes in-person voting on the date of an election the standard method for conducting an election. I believe it will reduce voter turnout as many Oregonians would have to take time off of work to vote in person. The vote-by-mail system has worked exceptionally well in Oregon since 1995. There is very little evidence of voter fraud and the turn out cannot be beat with in-person ballots.

I ask that you vote nay on Senate Bill 210 and preserve voting rights in Oregon that have worked successfully.
