Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose the default requirement to vote in person on election days as it majorly disenfranchises people from their voting rights. It enables votes to exercise their voting rights with out sacrificing their financial source (ie missing work to vote). Voting by mail IS proven to be easy, effective, and SECURE already. I personally like being able to review my ballot and make informed decisions in extensive time.
