

Submitter:	Samuel Aley
On Behalf Of:	Self
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

I oppose this senate bill. This is a senate bill in search of a problem. Our vote by mail system is effective and secure via signature verification. It obviously works well since Oregon has some of the highest voter participation in the nation. Changing our voting laws based on the aggressive lies of our delusional president is insane. We don't have to be stupid. We get to use our critical thinking skills, dismiss the pundits, and carry on using a very effective voting system.
