SB210

I am strongly opposed to the proposed legislation to make in person voting standard in Oregon.

Mail in voting has been secure and convenient for Oregonians for decades. Oregonians can research and complete voting in a time and way that works for them with mail in voting. Since voting day is not a holiday, voters do not have to miss work to vote. Mail in voting allows all Oregonians a chance to weigh in on matters that impact them.

Voting is a cornerstone of our democracy. Ensuring easy access to all eligible voters is a primary responsibility for a democratic government. Requiring in person voting when election days are not paid holidays disenfranchises Oregonians who deserve a chance to make their voices heard. Oregon does not have a voter fraud problem. Vote by mail works.

Please protect voter access by protecting Oregon's vote by mail system.

Thank you,
Alyss Broderick
