SB210

I am opposed to doing away with mail in ballots. It has worked for years and helps more people be able to vote. All Americans have the right to vote!! This bill would make it much harder or impossible for various publics to vote. There has been very little fraud. Keep our right to vote by mail. It helps people vote more wisely because they can research the issue and decide easier at home then in a booth, where others may be waiting. Stop the steal of our rights. The mail in system that works well.
