

Submitter:

Karen Beilstein

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly oppose this bill, and I strongly support our current system of vote by mail. Our current system is safe (see information provided by Multnomah County Elections Division: <https://multco.us/info/questions-about-election-security-we-have-answers>), our current system is accessible and convenient to all voters, and our current system is highly valued by Oregonians.
