

Submitter:

CRAIG SKINNER

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I'm a lifetime Oregonian and am a long-time proponent of mail-in voting. Please don't make voting harder and more inconvenient for the citizens of Oregon. A same-day in-person voting requirement will only result in fewer votes cast and will disproportionately affect the elderly, persons with disabilities, rural Oregonians, and the working poor. This is a made-up problem that does not need fixing!
