SB210

I believe mail in voting has allowed me to become a more informed voter by having more time to read through my Voters Guide as I vote. As a self employed person, I know that getting to a polling place on the date of an election would be extremely difficult for me and I appreciate that I have the time to fulfil my role at my kitchen table. Please vote against making any changes to our Mail In Voting, Oregon deserves recognition for making voting accessible for all and should hold fast to this high standard.

I accidentally clicked Support on an earlier response to this measure - but I OPPOSE any changes to our Mail In Ballots.
