

Submitter:

Shelby Hensley

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am a disabled single mother who works full time and am caretaker to a disabled child. If it's required to go wait in line to vote it would eliminate my ability to vote. I know many people in similar situations. I have only ever voted by mail in ballot and I love our system here in Oregon the way it is, don't change it! It's just a way to block people from exercise their right to vote
