

Submitter: j wolf

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On
Natural Resources

Measure, Appointment or Topic: HB5009

PLEASE fund the Forest Accord! I live in a clearcut called Tillamook County, and we need NO MORE CLEARCUTTING. Big Timber has had 200 years to pillage our sacred lands, meanwhile the science shows that we will log and mine and mis-manage our way into extinction if we don't change our ways NOW. Please do the right thing for us all and the planet.
